Anti social behaviour

24 MAY 18- Gildersome Library- Children kicking the door. Parents spoken with by attending officers

We are getting a number of loose horse calls. Can horse owners please be reminded that tethered horses and horses in fields are the owner's responsibility. It is their duty to make sure they are secure and do not cause issues to residents or on roads. If any injury or damage is caused by a loose horse, the owners can be held liable.
